<b>Section 1: Executive Summary .....</b>	<b>1</b>
<b>Section 2. General Introduction .....</b>	<b>3</b>
<b>Section 3. General overview .....</b>	<b>6</b>
• Appendix 3A: Overview Comparison of the Universities, the Faculties of Science and First Year Teaching in Biology and Chemistry .....	<b>8</b>
• Appendix 3B: Transition Programs.....	<b>14</b>
• Mapping Documents – see Section 8	
<b>Section 4. Comparison of Chemistry units of study at the Universities of Sydney and Melbourne .....</b>	<b>17</b>
• Mapping Documents – see Section 8	
• Appendix 4A: Teaching Evaluation Questionnaires.....	<b>26</b>
• Appendix 4B: Where do our Chem 1 students go?.....	<b>29</b>
<b>Section 5: Comparison of Biology units of study at the Universities of Sydney and Melbourne.....</b>	<b>30</b>
• Mapping Documents – see Section 8	
• Appendix 5A: CAL Modules used in first year .....	<b>38</b>
• Appendix 5B: Teaching Evaluation Questionnaires.....	<b>39</b>
<b>Section 6. Comparison of the use and perceptions of usefulness of ChemCAL on-line learning modules in supporting the learning of Chemistry.....</b>	<b>45</b>
• Appendix 6A: Index of ChemCAL modules used at the University of Sydney.....	<b>54</b>
• Appendix 6B: First Year Chemistry Questionnaire.....	<b>56</b>
• Appendix 6C: Results and brief analysis of chemistry survey for the University of Sydney.....	<b>57</b>
• Appendix 6D: Results and analysis of question 10 on the joint chemistry survey.....	<b>68</b>
<b>Section 7. Comparison of the use and perceptions of usefulness of the various resources, including ICT, in supporting the learning of Biology.....</b>	<b>73</b>
• Appendix 7A: Report on the use and perceptions of usefulness of a variety of learning resources at the University of Sydney.....	<b>79</b>
• Appendix 7B: First Year Biology Resource Usage at the University of Melbourne.....	<b>95</b>
<b>Section 8: Mapping Documents .....</b>	<b>102</b>
<b>Section 9: List of presentations and publications .....</b>	<b>102</b>
